INFORMATION FOR STAGE 4 // Biograd na Moru > Crikvenica

1. All team buses must leave the start area at least 15 minutes before the start towards the finish in Crikvenica. There is no alternative fastest route to the finish.
2. Suggestion for feeding zone is at 122 km, and overtake at 156 km. We will allow vehicles to overtake the main bunch in convoy (not individually) and we will announce that on the radio.
3. Pay attention to the technical finish (narrow sections with series of curves) and big speed bumps after the finish line. We are passing through the finish line 10 km before it, because we are doing one lap.
